A note from
Pastor Steve

This coming Sunday we will finish up our message series on Surviving Storms. We all go through various storms in life. God uses these storms to grow us, plant us in new ministries, and give us a platform to proclaim His mercy. God can give us His peace in the storms of life when we stand on His word and believe in His promises.

There are a few things that we should focus on during this transition time:

Make prayer a priority. Pray for unity, financial stability, church ministries, and the future Senior Pastor.

Have a spirit of generosity when it comes to financial giving. If you are not a tither, start giving a tithe of your income. If you are a tither, consider giving an extra gift. One of my goals is that the next pastor comes to a financially stable church.

Work on improving the building and grounds.

Stop living in the past and move on with God. In the next five years Loganville is projected to grow by 12.4%. Summit needs to be ready to reach people with the gospel and make disciples.

Blessings,
Steve Foster
