April 21 is Easter Sunday and our thoughts are on the resurrection of Jesus. Paul David Tripp believes that the resurrection is meant to be the window through which we view all of life. Dr. Tripp reminds us of five things that the resurrec-

tion of Jesus teaches us.

The resurrection of Jesus guarantees you resurrection too.

The resurrection tells you that Jesus reigns now.

The resurrection promises you all the grace you need for this life.

The resurrection of Jesus motivates you to do what is right, no matter what you are facing.

The resurrection tells you that you always have a reason to be thankful.

We should live every day in the power of the empty tomb and the occupied throne!

Blessings,
Steve Foster

We need YOU! We need a volunteer to care for babies on the six week Worship Care rotation AND during the Sunday School hour. See Kate if you can help.

"God is the God of 'Right Now.' He doesn't want you sitting around regretting yesterday. Nor does He want you wringing your hands and worrying about the future. He wants you focusing on what He is saying to you and putting in front of you... right now." That quote

by Priscilla Shirer really speaks to me. So often we are focusing on the past and worrying about tomorrows that haven't come yet. We aren't promised another day! But God is faithful and just. God is a God of second chances and He has already won the Victory. As we get near to Easter time, it is easy to feel discouraged because we maybe aren't where we "should" be as a church. We don't yet have a new pastor in place. We don't have the number of people we once did. But instead, let me urge you to focus on HIM. Jesus is alive! He's already won the battle! We have the rest of the story and it is one of Good News and a Hope! Easter is coming! The grave didn't stay filled, friends. Jesus is alive! Let us praise God for that! Let us praise God for today! And as we do, pray for our Pastor Search Team!
