As we enter into a new year, there's a question that ought to be up front in everybody's mind: "How's My Relationship With God?" At about this time every year people consider how their lives are going. They reflect on what happened to them last year and look ahead to what is realistically appearing for them on the horizon.

Sometimes they like what they see and just want it to continue. More often, though, they see situations they would like to change. They zero in on the changes they want to work on most as the new year begins. They make resolutions to do what needs to be done to bring about those changes, whatever they might be.

There is no greater need in one's life than to have a good relationship with God! So many people realize that something is missing in their lives, but they're not sure just what it is. They grope around, not really knowing what to look for to fill the void and end up going through an extended hit-or-miss process that leaves them frustrated.

Continued on Page 2.

Continued from Page 1.

Being in a right relationship with God can *eliminate* many potential problems in life, and it can *solve* others. Nothing can fill the need for God in your life, except God Himself! You need to understand Who God is and what He can do for you. The Bible is rich in wisdom, knowledge and direction that comes from God.

What better time than right now, at the beginning of a new year, to change your life by studying God's word and learning His will? This revolution can make a huge difference in your life, an eternal difference! Is your relationship with God all that it should be? Is it all that it can be?

Make the change. Whether it's a Sunday morning Bible Study class or the new discipleship process that is beginning this week, let Summit Church help you start **ADVANCING** toward the goal of living like Jesus Christ.

The New Year always reminds me of new chances, new choices. Promises kept. The Bible says "Therefore, if anyone is in Christ, he is a new creation, old things have passed away, behold, all things have become new!" Praise God that we don't have to wait for the New Year for this to be true. We can come to the saving knowledge of Christ any time of the year. He loves us with an everlasting love. How great it is to stand on the promises of God!
