

December Newsletter 2020

Merry Christmas!

This school year is flying by. I hope that everyone had a blessed Thanksgiving and that this Christmas will be a special one for your family. It has been a stressful year, and this time of year tends to be the most stressful. My prayer is that each of you will be able to enjoy the beauty and wonder of this time of year and that all the stress is behind us. I pray that 2021 is going to be a great year!

Our class parties will be on December 18. Each class will send out their own letter about the class party. The goal for us is to not add more to your to-do list. Expect more on that by next week. Also, this month, the teachers will be conducting phone conferences just to let you know how your child is doing. If needed, the teacher may request a face to face conference. Also, parents you are welcome to request that as well.

This month our classes will be learning about the birth of Jesus. We will focus on all things being possible with God, and that children are a gift from God. Psalm 127:3 says, "Behold, children are a gift from the Lord, the fruit of the womb a reward." This time of year is so exciting for the kids, and it does the heart good to see them filled with excitement. I pray that this Christmas will be filled with happy memories, but also a remembrance of the true meaning of Christmas.

I wish you many blessings,
Karen
