

January 2021

Happy New Year everyone! I hope everyone had a blessed Christmas. Welcome back! This half of the school year always goes by fast. Before we know it, it will be May. This half of the year the kids will be learning New Testament stories and getting to know Jesus as a friend, as a healer, as **the** Savior.

With COVID-19 cases rising in Walton County, there is talk that the school system may go to virtual for a time. If that should happen, as long as we still have no cases at the preschool, the preschool will remain open. As always, if Walton County closes for inclement weather, the preschool will also close.

This new year is not starting out without bumps. Our nation is going through some turmoil, but God is in control. We see the physical battle, but there is a spiritual battle going on between good and evil that we cannot see. Trust God. He is fighting for our nation. We need to pray for our country and those God is using to take our country back for His glory! Jesus says in Matthew 24:6 and Mark 13:7, "*You will hear of wars and rumors of wars. See that you are not alarmed, for this must take place, but the end is not yet.*" Be cautious of what you hear and what you see. God may allow some confusion to separate out the faithful. Do not be discouraged. There is light at the end of the tunnel. Trust God and pray pray pray!

God Bless,

Ms. Karen
